

## EDUCATION

- 2012 **M.S., Medical Illustration**, Georgia Health Sciences University (GHSU), Augusta, GA
- 2010 **B.A., Biological/Pre-Medical Illustration (BPMI)**, Iowa State University (ISU), Ames, IA

## EXPERIENCE

- 2012 **MEDICAL ILLUSTRATOR/ANIMATOR**, *Georgia Health Sciences Health System*, Augusta, GA  
Created a series of animations and handouts, titled *A Visual Guide to Pelvic Fractures*, to educate patients and their families about pelvic fractures in the Shock Trauma Unit. Worked with nurses and the patient advisory committee to create content for project.
- 2011-2012 **FEDERAL WORK STUDY**, *GHSU*, Augusta, GA  
Maintained and cataloged department library for Medical Illustration Graduate Program.
- 2001-2010 **UNIT SUPPLY SPECIALIST**, *Iowa Army National Guard*, Boone, IA  
Electronically and manually managed clothing records for 100 soldiers and ordered, inventoried, and issued clothing. Managed records for unit's aviation repair equipment and maintained accountability of equipment. Additional duties on overseas deployment included: newsletter creative designer, photographer, historian, and mural painter.
- 2009 **SCIENTIFIC ILLUSTRATOR**, *ISU, Department of Entomology*, Ames, IA  
Worked with an instructor in the Insect Zoo to illustrate insects in pen and ink for reproduction in educational materials for middle school students.
- 2004-2005, 2008-2009 **FREELANCE ILLUSTRATOR**, *IA Army National Guard*, Print Commissions  
Photographed, designed, and illustrated commemorative prints to honor three Army units deployed to Iraq.
- 2007-2008 **SCIENTIFIC ILLUSTRATION INTERN**, *ISU, Veterinary Medicine*, Ames, IA  
Accurately illustrated neurological canine anatomy in pen and ink for a veterinary textbook.
- 2006, 2008 **FREELANCE DESIGNER**, *IA Army National Guard & MN Army National Guard*, IA & Iraq  
Developed three new unit patches in cooperation with Army leadership.
- 2002 **BIOLOGICAL SCIENCES AID**, *USDA*, Ames, IA  
Executed seed inventories, field work, and corn pollinations.
